EXPECTATIONS:

- Parties are limited to 25 people (adults and children combined).
- Renter must ensure that children attending the party are supervised by an adult at all times and that a ratio of at least 1:10 is maintained.
- As part of our commitment to child safety, we screen all guests through the Sex Offender Registry before allowing entry into the facility. A list of all adults who will be attending the party along with their date of birth will be required 1 week prior to the party, using the form provided. This will allow us to do the screening prior to the party and not cut into the rental time.
- All children and adults will need to have a signed waiver in order to attend the party. Please submit signed waivers for all children (and adults if possible) 1 week prior to the event.
- The Y will provide tables and chairs in the Party Room. All decorations and party supplies (cake, balloons, decorations, etc) must be provided and set up by the member.
- Members may arrive up to 30 minutes prior to the party to set up and stay an additional 30 minutes after to clean up.
- All food and decorations must be cleaned up and put in the trash receptacle following the party.

- A lifeguard will be on duty during pool time.

- The pool will be separated into 3 sections during the party.
 - Deep End: Available to swimmers who have passed the purple or green swim test only
 - Middle Section: Available to swimmers who have passed the purple or green swim test. Children who have not passed the swim test will be required to wear a life jacket in this section.
 - Shallow Section: Available to all participants without a life jacket as long as the water is below armpit level.
- Children who have a swim test on file with the Y should stop at the membership desk to receive the appropriate color swim band.
